Ball Games.

Today at the City park Wandamero's base ball team plays a game with Garland's sturdy nine that promises to be a good one. Game called at 3 p. m.

Tuesday, June 30th, the Occidentals, Salt Lake's Colored team, is coming to cross bats with the Garland boys. This time Garland is going to turn the tables on them. Look out for a splendid game.

Married in Logan.

The marriage of Mr. Hans G. Johnson and Miss Meda Hansen was solemnized in the Logan temple Wednesday of this week.

Mr. Johnson is the son of Mr. and Mrs. Geo. Johnson of Deweyville and is well and favorably known both there and in East Garland.

Miss Hansen is the daughter of W. S. Hansen of Fielding. Is one of the most popular young ladies of that place and President of the Y. L. M. I. Assn.

The young couple will be at home to their many friends in East Garland after July 15.

Congratulations.

Garland's New Dentist.

Dr. C. W. Richards, dentist, a graduate of the University of Pennsylvania, has opened up dental parlors in rooms No. 3, 5 and 7, Ritter Bros block, and intends to make this city his permanent home. He and Dr. Wm. L. Rich both occupy these rooms. Since completing his three-years' course, Mr. Richards has taken two post-graduate courses in crown and bridge work and posthetic dentistry; practiced in Orangeville, Emery County, where he did an excellent business.

Mr. Richards is the son of Ex-County Commissioner C. W. Richards of Fielding; is a bright and industrious young man.

He will move his wife and family to this city in a few days.

The Globe is pleased to make the announcement that our town supports a dentist, permanently located, and is assured that success will crown his efforts along these lines in Garland.

Disappointment.

The Lewis Jewelers of Ogden, booked for a game here last Saturday with Garland's nine, failed to stand by their agreement and went fishing instead of coming here to play the game. It was a big disappointment to our base ball team, as the game was well advertised and a record-breaking crowd was expected from all over the county. Were they afraid of getting a shut-out?

Malad Matters.

Malad has gone dry. At the last meeting of the city council it was voted to close the saloons December 31, and to issue no more licenses after that date.—Rexburg Standard.

IRRIGATION DAM BREAKS.

Malad, Idaho, June 20.—By the breaking of the Deep Creek dam, nine miles above this city yesterday, \$75,000 in damage to crops, animals and loss of water is estimated. An area of over three miles square was inundated. The farmers estimate \$90,000 damage alone in the loss of the water for irrigating purposes. In the Malad business district practically every cellar is full of water this morning. No lives were lost because the people had ample warning. The reservoir was built nine years ago at a cost of \$10,000. The dam is some 250 feet wide and 50 feet high in the center.—Deseret News.

RIVERSIDE

The weather man sent us a very humble apology, but said that he really could not help it.

A large crowd of our Sunday school workers—too many to name—attended Union meeting in Fielding last Sunday.

Miss Ruth Hess and Miss Hazel Udy of Farmington, who have been visiting with their friend Miss Rowane Udy, have returned home.

Mr. and Mrs. Cayley, an elderly couple from Salt Lake, formerly of Toronto, Canada, are spending the summer with Mrs. W. H. Parke.

The child of Mr. and Mrs. J. R. Kennard is rapidly recovering from a severe attack of bronchial pneumonia.

The infant child of Mr. and Mrs. A. W. Hales has a severe cold. The parents are fearful of pneumonia and are doing all in their power to ward off an attack of that disease.

Mrs. A. A. Capener, who has been ill for some time, is recovering nicely. Riverside has those good old fashioned times. There's one next Monday night under the auspices of the primary.

Miss Ethel Turner and Miss Edith Earl of Farmington, have been visiting with Miss Turner's sister, Mrs. E. T. Capener.

Miss Marion Nye is staying with her friend Mrs. Lydia Foxley at Ft. Lookout. Very inconvenient for—no name mentioned.

Miss Leona Zundel of Portage, our erst-while primary school teacher, as a stake Sunday school worker was in Fielding last Sunday and being so close to Riverside, where a very powerful personal magnet resides, she just naturally gravitated over here to spend Sunday evening. The longer, (taller) the magnet the more powerful the attraction. Have you ever seen him?

Mrs. S. L. Bowen, of Wayne, W. Va., writes: "I was a sufferer from kidney disease, so that at times I could not get out of bed, and when I did I could not stand straight. I took Foley's Kidney
